Hi Julie,

I went over the data of analyzed samples for the last 6 months and came up with a more accurate picture:

	Total Samples	Boston Samples	Amherst Samples	% Amherst Analyzed
July	2779	2156	623	22.4
August	2531	2031	500	19.8
September	2517	1936	581	23.1
October	2395	1660	735	30.7
November	1847	1319	528	28.6
December	2980	2168	812	27.2
January 09	2298	1807	491	21.4
Totals	17347	13077	4270	24.6
